

CHAMP Volleyball Health and Safety Protocols

- 1) Effective August 31, 2021, Mecklenburg county health officials instituted a mask mandate, regardless of vaccination status, for all indoor public places. Therefore, facemasks must be worn by all volleyball players and spectators. <https://www.mecknc.gov/news/Pages/BOCC-Issues-a-COVID-19-Public-Health-Rule-Face-Coverings-will-be-Required.aspx> .
- 2) Hand sanitizer will be provided.
- 3) Please do a self-assessment for any signs of illness BEFORE arriving to any CHAMP fitness class. If you or anyone in your household has a raised temperature of 100.4 or higher or any other illness symptoms, you should not attend any CHAMP fitness classes.
- 4) If you know or think you have been exposed to COVID-19 in the past two weeks, do NOT attend any CHAMP event until after a two-week quarantine period has been observed. Please contact Kelly Lamb. It is our goal to promote health and safety for everyone involved in programs at CHAMP Sports Outreach.
- 5) For more information about prevention and safety regarding COVID 19, please visit <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> .
